In this petition, the petitioner has prayed for nullifying the action of the Government seeking to alter Telugu Ganga Project and of supplying water from Bankacherla Head Regulator to Pundi via alternate route through Nippulavagu, Kunderu and Penna Rivers instead of supplying water through approach canal from Srisailam reservoir and head regulator at Pothireddypadu.

Learned counsel for the petitioner says that the project in question has already been executed and, therefore, the writ petition may be disposed of as infructuous. Ordered accordingly.
